OFFICE NOTE No. 890 ²/_A

To W

A scrutiny of the Provincial
O.I. statements of the 2nd. Circle for
December 1896 shows a large number of
items

- i. Without Estimate
- ii. In excess of Estimate

that remain unremedied, some of which have been outstanding for a long time. The marginally noted table brings this out clearly and particular attention is invited to the fact that 5 items have been outstanding since 1893, six since 1894, and nineteen since 1895.

2. Attention has been drawn to these irregularities in the Provincial O.I. statements every month, but sufficiently effective measures do not appear to have been taken by the officers concerned and the same items have consequently to be brought forward month after month. Stringent orders of Govt. therefore now appear again necessary for the very early regularization of all outstanding objections.

3. Besides the items noticed above,
there are several miscellaneous irregu-
larities which call for early adjustment
and which have also been reported month-
ly in the Provincial O.I. statements.
