OFFICE NOTE No. 87527A

To

A scrutiny of the Provincial
O.I. statement of the 4th. Circle for
the month of December 1896 shows a large
number of items

- i. Without Estimate
- ii. In excess of Estimate

that remain unremedied many of which have been outstanding for a long time. The marginally noted table brings this out clearly and particular attention is invited to the fact that 5 items have been outstanding since 1895.

2. Attention has been drawn to these irregularities in the Provincial O.I. statements every month, but effective measures have not been taken by the officers concerned, and the same items have consequently to be brought forward month after month. Stringent orders of Government therefore are necessary for their early regularisation.

3. Besides the items noticed above there are several miscellaneous irregularities which call for

ported monthly in the Provincial O.I.
