Presidency Port Officer,

To

The Secretary to Government;
Marine Department,

С Ч Е Р А К.

Sir,

groynes on chart in vicinity of light-appears to have
done so in view of fixing the mouth of the backwater.
If it were not that private property on the Vypeen side
has been protected at Government expense, and that it is
very necessary, in my opinion, to check erosion at the par-
ticular spot on which Mr. Grieve's house stands on the
south side of this entrance to the backwater, I would
recommend that Mr. Grieve should be left to protect his
own property, but the case is different from the claim
made by the Malabar Chamber of Commerce for protective
measures to be carried out at Tellicherry (vide my let-
ter No. 1747/85, G, dated 16th March 1897) and I there-
fore submit it for consideration.

I have the honor to be,

Sir,

Your Obedient Servant,

H. H. H. H.

Commander, R.I.M.,

Presidency Port Officer.
