G.O., Nos. 107, 108 W., 13th January 1897.

JANUARY.

Forwarding copy of Proceedings permitting the — to visit the ports of Narakal and Malipuram when next on tour in that direction, in order to advise the Cochin Darbar as to the improvement of those ports.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From the Hon'ble Mr. J. D. REES, C.I.E., Acting Resident in Travancore and Cochin, to the Chief Secretary to Government, dated Trivandrum, 18th November 1896, Ref. on C. No. 3615.

At the instance of the Dewan of Cochin and in pursuance of demi-official correspondence with the Secretary to Government, Public Works Department, I have the honour to solicit that Government will be pleased to permit the Executive Engineer, West Coast Division, to visit the ports of Narakal and Malipuram when next on tour in that direction in order to advise the Cochin Sircar as to the improvement of those ports. The Cochin Government undertakes to pay all expenses incurred by that officer in travelling beyond British territory and he will probably be detained for not more than one week. The Residency at Bolghotty will be placed at his disposal.

From F. C. HARRISON, Esq., Officiating Accountant-General, Madras, to the Chief Secretary to Government (through the Examiner of Public Works Accounts), dated Fort St. George, 17th December 1896, No. I.A.E./290 C.

With reference to your memo. No. 2616, dated the 11th of December 1896, referring to me, for remarks, letter No. 3615, dated 18th November 1896, from the Resident in Travancore and Cochin, in which he requests that the Executive Engineer, West Coast Division, may be permitted to visit Narakal and Malipuram, in order that he may advise the Cochin Sircar as to their improvement, I have the honour to state that as the Engineer is to be transferred to the Cochin State for a special temporary duty, I agree with Government in thinking that the sanction of the Government of India is not necessary, and that the levy of contribution can be waived under Article 815 (a) of the Civil Service Regulations.

As the officer concerned is one belonging to the Public Works Department, this reply is forwarded through the Examiner, Public Works Accounts, Madras.

The enclosures to your memo. under reply are herewith returned.

Office-note from the Examiner, Public Works Accounts, dated 19th December 1896, No. 4416 D/E.

As the period for which the Executive Engineer's services are required is only a week, it hardly appears necessary to make any charge.

ORDER—No. 107 W., dated 13th January 1897.

The Executive Engineer, West Coast Division, will be permitted to visit the ports of Narakal and Malipuram when next on tour in that direction, in order to advise the Cochin Darbar as to the improvement of those ports, the Darbar defraying all expenses incurred by that officer in travelling beyond British territory.
