From C. W. WOOD, Esq., Executive Engineer, West Coast Division, to the
Superintending Engineer, IV Circle, dated Calicut, 15th March 1897,
No. 172 S.E.

With reference to correspondence enclosed, I have the honour to forward, herewith, valuation statement of Rs. 175 (with plan and site survey) for purchase of a shed at Sultan's battery to be used for the storage of tools and as a rest-house by subordinates. I consider that it is necessary, as an overseer can hardly be expected to pay Re. 1 per diem and extra for horse and bullocks for the use of the travellers' bungalow. If you approve of the proposal, I have the honour to request that you will obtain the sanction of Government to the arrangement.

The Superintendent's
proposal to purchase a
shed for No 75, at Sultan's
Battery, for the storage of
tools and as a rest house
for subordinates, seems
reasonable: and as
a plan and valuation
statement are submitted
sanction may, perhaps, be
recommended.
