OFFICE NOTE No. 874 ^{B/A}

To

W.

A scrutiny of the Provincial O.I statement of the 3rd. Circle for the month of December 1896 shows a large number of items

- i. Without Estimate &
ii. In excess of Estimate

that remain unremedied many of which have been outstanding for a long time. The marginally noted table brings this out clearly and particular attention is invited to the fact that 12 items have been outstanding since 1895.

2. Attention has been drawn to these irregularities in the Provincial O.I. statements every month, but effective measures do not appear to have been taken by the officers concerned, and the same items have consequently to be brought forward month after month. Stringent orders of Government therefore now appear necessary for the early regularisation of all outstanding objections.

3. Besides the items noticed above there are several miscellaneous irregularities which call for early adjustment and which have also been reported monthly in the Provincial O.I. statements.
