The Superintendent Engineer
4" Circle for use at one

Sir,

With reference to your endorsement - No 671^{we}, dated 9th November 1896, I have the honor to report that although the occupation of the Store shed at Malapuram by the P. W. Subordinate Stationed there, is not compulsory, the building is used also as an office and stores. I therefore do not recommend its sale or demolition.

2. There is no objection to the other buildings viz. warders' huts in the late District Jail, Calicut, and by Postmaster's quarters at Mangalore being

being sold or dismantled
