GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Account.

READ—the following paper :—

From the Hon'ble Colonel D. McNEIL CAMPBELL, R.E., Secretary to the Government of Madras, Public Works Department, to the Secretary to the Government of India, Public Works Department, dated 28th September 1896, No. 2781 W.

I am directed to inquire whether the spirit of the note to paragraph 12, chapter V, Volume IV, Public Works Code (S.O. No. 751 of 1896), is applicable to the purchase by Government from Guaranteed or State Railways of stores of European manufacture required for ordinary public works.

2. Cases are not infrequent in which stores, such as old railway rails or other material, are purchased for buildings, &c., and as there is no definite rule on the subject, sanction of Government to such purchases has to be obtained under paragraph 3, Appendix X, Volume II, Public Works Code.

3. As it may be accepted that the rules have been applied to the original purchase of the stores, I am to suggest that such transactions may be included among the exceptions to paragraph 3, Appendix X, above quoted.

ENCLOSURE.

Standing Orders, Public Works Department Code, Vol. IV, 3rd Edition.

Chapter V, paragraph 12.—For the words, Appendix O to Volume I, substitute Appendix X to Volume II, and add the following as a note :—

"NOTE.—The purchase of stores of European manufacture by one State, Guaranteed or Assisted Railway from another, is not a purchase of stores of European manufacture as contemplated in the rules in Appendix X to Volume II of the Public Works Department Code. It may be accepted that the rules have been applied to the original purchase."
