Read the following Endorsement of the Dy. Adjutant-General, Madras Command, dated Ootacamund the 5rd April 1897, No. A/N.T.-5570, on the following letter from the Superintendent of Family Payments, Fort Saint George, No.28.E/73, dated the 2nd April 1897:-

In continuation of this office No.1020 E/6733 d/26th March '97, I have the honour to forward two lists of Pensioned Native Officers and Non-Commissioned Officers willing to be employed on Famine Relief Works, copies of the same have been sent to the Civil District Officers of the affected Districts with enclosed covering letter, but I presume the copies to the Govt. should be forwarded through you.

The following points have been brought to my notice in connection with this subject.

The Pension Paymaster, Trichinopoly, reports that Pensioners are not willing to take up the appointments unless they are provided with free passages for themselves & servants to and fro and travelling expenses for proceeding from village to village in the Division etc where employed.

The Pension Paymaster, Secunderabad, reports that those willing to be employed declined to take the appointments of Paymasters on Famine Relief Works on the ground that the salaries offered were too small, viz, from Rs 20 to Rs 30 per mensem.

The Dy. Collector in charge of Pensioners, Nellore, reports that Pensioners are unwilling to leave their Districts for employment in other Districts.

The Pension Paymaster, Bellary, reports that the civil subordinates are trying their best to prevent the employment of Military Pensioners on Famine Relief Works.

There

There seems to be a demand for the Pensioners' services, if they choose to accept the Employment.

Endorsement:-

Forwarded with reference to para 2 of my Memo:A/N.T.-5162 of 30th March 1897.

2. The Lieutenant-General Commanding the Forces would invite the attention of the Govt. of Madras to the statement made by the Superintendent of Family Payments in his letter No.28 E/73 of 2nd April as to civil subordinates at Bellary endeavouring to prevent the employment of Military pensioners on Famine duty.

Resolution—dated 13th March 1897, No. 226.

The following letter will be despatched to the Secretary to the Government of India, Revenue and Agricultural Department, Calcutta:—

"Sir,—Under instructions conveyed in Rule VII of the Appendix to the Government of India in Resolution No. 8–52, dated 21st March 1892, as modified by paragraph 2 of Mr. Ibbetson's circular letter No. 16–36, dated 30th July 1894, I am directed to submit herewith a statement showing the provision made for famine-relief works in the four Deccan districts noted in the margin in which relief is now being given.

Kurnool.	Anantapur.
Bellary.	Cuddapah.

2. The statement contains information revised up to the end of December last in accordance with the supplementary programmes submitted by the Collectors concerned.

3. The district programmes have been thoroughly overhauled by the Famine Commissioner, and adequate arrangements have been made for the maintenance on the list of a sufficiency of works available for execution as famine-relief works."

2. Copy of the above letter will be submitted for the information of Government together with copies of programmes prepared in the form prescribed in the Famine Code and the original statements for the Kurnool district showing the lists of works exhausted in, and added to, the Collector's programme for 1896–97. The Collectors of the other districts concerned are requested to expedite the submission of similar lists for their districts.

3. All these programmes were thoroughly reviewed in B.P., dated 1st January 1897, No. 1. The attention of the Public Works Department should, the Board considers, be drawn to the paucity of sanctioned irrigation works in Cuddapah.

FAMINE STATEMENT D.

[N.B.—*Numbers are shown in thousands.*]

District.	Population.	Maximum number of persons for whom relief may be required daily in the event of serious famine.	Number of persons provided for by relief works daily for three months.				Remarks.
			Large works.		Small works.		
			Sanctioned.	Not sanctioned.	For relief of agricultural population in neighbourhood of villages.	Others.	
1	2	3	4	5	6	7	8
Kurnool	815	163	205	318	91	3	These programmes include generally the construction and repair of irrigation works and roads and miscellaneous works for the improvement of supply of drinking water and village sanitation, the clearance of village sites and the like, as well as well-sinking, &c., to be executed with the aid of loans under the Land Improvement Loans Act.
Bellary	881	176	277	48	56	..	
Anantapur	727	145	106	50	50	..	
Cuddapah	1,269	254	22	160	80	14	

2. The provision made is generally adequate and exceeds the maximum requirements in all districts. The numbers that can be provided for on sanctioned works also exceed the expected maximum in Kurnool and Bellary. More than two-thirds of the large works in the Anantapur district are sanctioned. In Cuddapah, however, the proportion of the sanctioned works is very small and this is ascribed by the Collector to the fact that the Public Works Department is behindhand in the preparation of estimates for the irrigation works. The attention of the Public Works Department will be again invited to this matter.
