The Chief Engineer,  
Public Works Department,  
Madras.

Sir,

I have the honour to request that you will be good enough to obtain the sanction of Government to the entertainment of a watchman at R 1/2 a month from 1<sup>st</sup> September 1896 to 28 February 1897 to look after the Police Station House, Hallur, Tumacool District which has been vacated by the Police Department. No Proposition statement is sent as the amount is small and the period has expired.

2- The Officer in charge of Humnool Division is making enquiries as to whether the building is ever likely to

to be required by the Police <sup>or any other</sup> Depart-  
ment for any public purpose. If  
the building is not required by  
any department, sanction of  
Government will be obtained for  
selling it either with or without site.

3. The necessary provision for the  
current year for the watches under  
reference has been made in the
