

Public Works (1897) Department.

G.O., No. 1211W

DATED 11-5-97

[Despatch Abstract.]

Famine. Letter from the Superintending Engineer,
T. C. Wick, stating that certain estimates sanctioned
by him as ordinary works will be classed under
"33. Famine relief" if it becomes necessary to do
so, communicated with remark, to the Revenue
Department; and the Superintending Engineer
directed to prepare additional estimates, in
case the — continues.
