Dated. Erode. 18th Nov. 96

Sir

With reference to your
No. 3321 of 5th Oct. 96, I have
the honor to state that the
circumstances under which
I joined my appointment
on the 7th March 96 have
been supplemented by me
at length in my letter to
S. D. C. of 5th July 96 which
must be available in the
records of the Divisional Office.

2. I would respectfully submit that the ordinary rule under which pay is passed from date of joining is inapplicable to my case. I was in the first instance allowed subsistence allowance at Rs 25 per mensem. as an Engineer Student from 1.1.1904

irrespective of the date of my joining. In April 96, however, I was appointed an apprentice engineer and allowed difference of pay from the date for which pay was passed to me as an Engineer student. This being so, I don't understand why the Examiner should, inconsidering my little to pay, now take up the question of my joining.

3. If I had been borne in the Salary Bill as an Engineer student no question would be raised as to my pay from 1.1.96; and I should have been allowed leave on full stipend for the period, I was unable to join my appointment account of illness, &c. from 18.2.96 to 6.3.96.

I venture therefore to hope that the Examiner will on the above grounds see fit to withdraw his objection or upward orders of Government on the point, if he considers it necessary.

I have the honor to be
Sir
Yours Obedient Servant.

SIR,

I have the honor to forward herewith letter from V. Manickam Naicker Apprentice Engineer and to bring to your notice that he was first posted to this Division as an Engineer student and he joined duty on the 7th March 1896. Pay at Rs 25 was claimed from 1st January 1896 and the Examiner passed the claim provisionally pending information as to why the student joined duty only on the 7th March 1896. The student explained that he was sick and his explanation was forwarded to the Examiner, P. W. Accounts, with the

the Dis-List for April 1896. In the meantime the student was gazetted an Apprentice Engineer from 1st January 1896 and pay at Rs 100 was accordingly claimed.

The Examiner has ^{now} deferred audit of pay from 1st to 6th March 1896 pending sanction of Government for admission of pay during the period in question, the officer not having joined his appointment, owing to illness until the 7th March 1896. I request you will kindly refer the matter to Government for favor of orders.

Your O. N. No. 570 C. dated 28th. Janu-

In this case the question at issue is, whether the apprentice course should be held to have commenced on 1st. January 1896 the date of his appointment, vide Fort St. George Gazette dated 28th. April 1896, Part I, Notification No. 42, or from 7th. March 1896, the date on which the apprentice Engineer actually reported himself for duty-P.W Code volume I, chapter IV, para 77. If from the former date, sanction of Govt. is necessary to the grant of leave on medical certificate for the period (14th. February 1896 to 6th. March 1896) he was under medical treatment-vide also C.S.R article 229(a).
