The Superintending Engineer,

Sir,

I have the honor to report that I have gone over the plans and ground of the Ooty Drainage Scheme and am of opinion that it is necessary to have a good Overseer on the work, as there is a considerable amount of building that will require careful & constant supervision and accurate levels. Moreover the further investigation of the Scheme will require intelligent dealing with. I shall, of course, be able to do much myself, but I do not know of any Suboverseer who would be suitable for the post nor do I think Rs 70 (the proposed pay) will attract a sufficiently highly

C.N. Subramania Aiyar, Temporary overseer

P.W.D.

Note for H.E. the Governor

Mr. Somers Lee recommends that Temporary Overseer C.N. Subramania Aiyar, who now draws Rs 100 per mensem, be paid at the rate of Rs 150 per mensem while employed on the Ootacamund drainage scheme, on the ground that he will have to keep up two establishments and serve in an expensive locality. The request is a reasonable one, and it is therefore proposed to raise the number of Temporary Supervisors on Rs 150 fixed in G.O. No. 617 W dated 4th March 1897 from 9 to 10, and to reduce the number of Overseers on Rs 100 from 15 to 14 with a view to giving Overseer Subramania Aiyar the higher pay for the time he is employed here. A G.O. giving effect to the proposal is submitted for approval.

A few days back, on receiving a D.O. from Mr. Somers-Eve asking whether he was to have Mr. C.N. In his letter No: 2 d/ 27.3.97 (flagged "A"), the Sanitary-Engr recommends that temporary overseer C. N. Subrahmanya Aiyar, ~~now~~ drawing Rs: 100, ~~may~~ be granted Rs: 150 [illegible] while employed at Ootacamund [illegible] issued.

Under what Code rule can this be allowed? (a) If [illegible] the same can be temporarily increased Govt. (b)

CHWS

11/5 97

O.O. (a) Under para 109, chapter I, Vol. I of the P.W. Code, the Local Govt. can create a temporary appointment on pay not exceeding Rs: 250.

(b)

(b) The sanctioned scale of temporary Upper Subordinate Establishment for the current official year provides for

9 appts on Rs: 150, and
15 - do - do - 100,

but this is "subject to any "alterations which may be "found necessary during the "course of the year" - vide G.O. No: 617W d/ 4.3.97.

Should the Govt. decide to grant temporary overseer C. N. Subrahmanya Aiyar Rs: 150 for the time he ~~may~~ be employed on the Ootacamund Drainage Scheme, the sanctioned no. of temporary appointments on Rs. 150 must be increased from 9 to 10, making a corresponding reduction of the appts on Rs: 100 from 15 to 14.

As under para 109 chapter I, Vol II, P.W. Code, the Local Government can create a temporary appointment on pay not exceeding Rs 260, and as it is necessary to pay Temporary Overseer C. N. Subramaniya Aiyar more while employed at Ootacamund than would be necessary if employed on the plains, the scale of Supervisors on Rs 150 might perhaps be increased from 9 to 10, and that of Overseers on Rs 100 reduced from 15 to 14 during the period of Subramaniya Aiyar's employment on the Ootacamund Drainage Scheme, with a view to giving him the higher pay for that time.
