Note for H. E. the Governor

The Suptg. Engr. VI Circle proposes an increase of Rs 5 per mensem for a temporary clerk on Rs 20 in the Tinnevelly Dn. on the grounds that there is only one clerk who is now employed in connection with T. R. Scheme works, and that the work relative to their accounts has of late increased. On the other hand he proposes to dispense with certain establishment costing Rs 195, the net result of his proposals being a saving of Rs 190 per mensem over the cost of the temporary establishment employed in 1896-97.

The proposals are recommended for sanction
