Endorsement in the Judicial Department on the above, dated 1st April 1897, No. 782.

ORDER—No. 1330 W., dated 20th May 1897.

Receipts.

The revised estimate of revenue for 1896–97 under Provincial Civil Works as shown in the preliminary budget amounted to Rs. 1,67,000. The Government of India having raised the estimate to Rs. 1,81,000 on consideration of the progress of revenue, that amount has been adopted in the final budget.

2. A sum of Rs. 1,67,000 was shown in the preliminary issue as the budget estimate for 1897–98. The same figure has been entered in the final budget.

Charges.

3. The revised estimate of expenditure for 1896–97, as shown in the preliminary budget, amounted to Rs. 25,30,000 which was reduced to Rs. 24,25,674 by the modifications of grants subsequently sanctioned. As the estimate can take no account of the transfer of a sum aggregating to Rs. 4,326 sanctioned after the 25th February 1897—the date fixed by the Government of India—and as that Government has passed it for Rs. 24,30,000, the latter figure has been adopted in the final issue. The Examiner will explain the difference in his Finance Accounts for 1896–97.

4. The preliminary issue of the budget estimate of charges for 1897–98 was prepared for Rs. 21,91,000, but the Government of India having reduced the assignment by Rs. 3,50,000 and passed the estimate for Rs. 18,41,000, the final issue has accordingly been drawn up for the latter sum.

5. The modifications of grants sanctioned in the G.Os. quoted in the margin have been carried out in the final issue. Provision has also been made for the undermentioned urgent works brought forward by the Inspector-General of Prisons and the Superintending Engineer, VI Circle:—

" " 935 W., " 2nd Apr. "

	Rs.
(*a*) Water-supply, Trichinopoly Jail	4,350
(*b*) Repairs—Civil Buildings, Tinnevelly division	2,000

6. The Superintending Engineers concerned will lose no time in submitting plans and estimates for the unsanctioned works for which funds have been provided in the budget.

7. The available funds being distributed among works in progress with a few exceptions, and the amount at the credit of the reserve with the Government being small, viz., Rs. 13,948, the requirements on account of incomplete works can be met only by re-appropriations of funds. The statement of demands for such works should, therefore, show how it is proposed to meet them.

8. The distribution of grants for "minor works" and "repairs" is shown in part II of the budget, and that for "tools and plant" in part IV. A provision of Rs. 3,55,000 was made for "repairs" in the preliminary budget. As, however, funds are not available to meet in full the demands under other departmental heads, the amount has been reduced to Rs. 3,15,000. All possible economy should be exercised in the expenditure on "repairs," and only such works as are absolutely necessary should be undertaken during the year.

9. The allotment applied for by the Superintending Engineer, Military Works, Madras Command, for expenditure on "minor works" and "repairs" at Bangalore, Wellington and Ramandrug have been provided in part II.

10. The sum of Rs. 80 required for the archæological works to be executed by the Collectors of Kistna, Salem and Madura will be placed at the disposal of the Superintendent, Archæological Survey. The amount of Rs. 180 applied for by the Superintending Engineer, II Circle, for works at the Seven Pagodas has been allotted to the Buckingham Canal division.

Salem	50
Madura	15

11. The provision for "establishment" and "tools and plant" as shown in the preliminary budget amounted to Rs. 6,44,101 and Rs. 1,15,654, respectively. These have been raised to Rs. 6,77,908 and Rs. 1,17,525 respectively in the final issue, the increase being due chiefly to reduction in the grants under Excluded Local Port Funds and 43. Minor Works and Navigation.

12. There being a separate assignment for works under 33. Famine Relief, no provision is necessary from 45. Civil Works on that account as contemplated in paragraph 17 of G.O., No. 451 W., dated 16th February 1897.

13. With these remarks the final issue of the Provincial Civil Works budget estimate for 1897–98 will be printed and circulated for the information and guidance of the officers concerned and 50 copies as shown in the margin will be forwarded to the Government of India, Public Works Department.

From the Government of India, No. 17/R.O. A.-C. W., dated 19th March 1897.

From the Examiner P. W. Accounts, No. 1098 D/R, dated 3rd April 1897.

Office Note from the Chief Engineer for Irrign. No. 111, dated 14th April 1897.

From the Suptg. Engineer VI Circle, No. 342 P. W., dated 10th April 1897.

From the Inspector-General of Prisons, Ootacamund, No. 1224, dated 24th March 1897.

Endorsement in the Judl. Dept. on the above No. 782 dy. 1st April 1897

Receipts.

The revised estimate of Revenue for 1896-97 under Provincial Civil Works as shown in the preliminary budget amounted to Rs. 1,67,000. The Govt. of India having raised the estimate to Rs. 1,81,000 on consideration of the progress of Revenue, that amount has been adopted in the final budget.

2. A sum of Rs. 1,67,000 was shown in the preliminary issue as the budget estimate for 1897-98. The same figure has been entered in the final budget.

Charges.

3. The revised estimate of expenditure for 1896-97, as shown in the preli-minary budget, amounted to Rs. 35,30,000 which

Examined—
The draft may be communicated.

[P. W. 40. 300—13-3-97.]

which was reduced to Rs. 24, 25, 874 by the modifications of grants subsequently sanctioned. As the estimate can take no account of the transfer of a sum aggregating to Rs. 4, 326 sanctioned after the 25th February 1897, the date fixed by the Govt. of India, and as that Govt. has passed it for Rs. 24, 30, 000, the latter figure has been adopted in the final issue The Examiner will explain the difference in his Finance Accounts for 1896-97.

4. The preliminary issue of the budget estimate of charges for 1897-98 was prepared for Rs. 21, 91, 000, but the Govt. of India having reduced the assignment by Rs. 3, 50, 000, and passed ~~xxxxx~~ the estimate for Rs. 18, 41, 000, the final issue has accordingly been drawn up for the latter ~~=~~ sum.

5. The modifications of grants sanctioned in the G.Os. quoted in the margin have been carried out in the final issue. Provision has also been made for the undermentioned urgent works brought forward by the Inspector-~~xxx~~ General of Prisons and the Suptg. Engr.

~~In regard to item (a) it is observed~~

~~that~~

~~that no arrangements to start the work can be made until further orders issue in the Judicial Department on the point noticed in para 3 of Proceedings No. 1962 Judicial dated 10th December 1896.~~

6. The Suptg. Engineers concerned will lose no time in submitting plans and estimates for the unsanctioned works for which funds have been provided in the budget.

7. The available funds being distributed among works in progress with a few exceptions, and the amount at the credit of the reserve with the Govt. being small, viz Rs. 5, 608, the requirements on account of incomplete works can be met only by reappropriations of funds. The statement of demands for such works should therefore, show how it is proposed to meet them.

8. The distribution of grants for " Minor Works " and " Repairs " is shown in part II of the budget and that for " Tools and Plant " in part IV. A provision of Rs. 3, 55, 000 was made for "Repairs" in the preliminary budget. As however, funds are not available to meet in full the demands under other departmental heads, the amount has been reduced to Rs. 315, 000. All possible economy should be exercised in the expenditure on " Repairs ", and only such works as are absolutely necessary should be undertaken during the year.

9.

9. The allotment applied for by the Suptg. Engineer Military Works, Madras Command, for expenditure on "Minor Works" and "Repairs" at Bangalore, Wellington and Ramandrug have been provided in part II.

10. The sum of Rs.80 required for the archaeological works to be executed by the Collectors of Kistna, Salem and Madura will be placed at the disposal of the Supderintedent archaeological Surveys. The amount of Rs.180 applied for by the Suptg. Engineer II Circle for works at the Seven Pagodas has been alletted to the Buckingham Canal Division.

Kistna	Rs.	15.
Salem	,,	50.
Madura	,,	15.

11. The provision for "Establishment" and Tools and Plant " as shewn in the preliminary budget amounted to Rs.6,44,101 and Rs.1,15,654 respectively These have been raised to Rs.6,77,908 and Rs.1,17,525 respectively in the final issue, the increase being due to chiefly to reduction in the grants under Excluded Local Port Funds and 43 Minor Works and Navigation.

12. There being a separate assignment for works under 33 Famine Relief no provision is necessary from 45 Civil Works on that accountant as contemplated in para 17 of G.O. No.451 W, dated 16th February 1897.

13. With these remarks the final issue of the Provincial Civil Works budget estimate for 1897-98 will be printed and circulated for the information and guidance of the Officers concerned and 50 copies as shewn in the margin will be forwarded to the Govt. of India P.W.D.

The draft order upon the final form of the Provincial Budget for 1897-8 received today for countersignature is returned with the suggestion that the last six lines of para 5, from the words "In regard to" down to "dated 10th Dec. 1896" may be omitted, as the letter from the Chairman, Municipal Council Tuticorin, enclosed in the letter from the Inspr. Genl. of Prisons read at the head of the draft order shows that the Municipal Council is not prepared to undertake the work.

Herewith draft of part III (Establishment portion) of the Provincial Budget Estimate for 1897-98.

Engineer Establishment.

As hitherto, provision has been made for the sanctioned cadre of Executive and Asst. Engineers, and an additional provision for a Supg. Engineer 2nd class has been made for Lieut. Col. A.W Smart R.E. on deputation, but no separate provision has been made for Mr. G.S.T. Harris, Executive Engineer, Ist. Grade & Consulting Architect to Government who will be counted against the Madras Scale on the expiry of his probationary period.

A deduction of Rs. 92,638, equal to 12 per cent of the provision under this head has been made on account of absentees whose leave allowances will not be payable here, the percentage being based on the savings effected in the provision during the last 5 years.

Upper Subordinate Establishment.

From information obtained from the College of Engineering, Madras, provision has been made for I Military Apprentice as also for the maintenance allowance of 23 students from that College for their practical course.

Lower Subordinate, Petty and office Establishments.

Provision has been made for Establishments sanctioned from time to time under the above heads up to date. The actual distribution among different offices of 500 peons for whom provision has been made in the current year's budget under Petty Establishment has been given, the balance being shown as a reserve.

Temporary Establishment.

A detailed statement of the temporary establishment under all classes based upon existing sanctions up to date is attached to the budget from which it will be seen that the total amount required under this head will amount to Rs.I,87,077 or Rs.I4,697 in excess of last years provision(Rs.I,72,380). It is for Government to determine with reference to para 4 of W's office note, No. 35I9 C. dated 5th. October I896, which figure should be adopted.

Local Allowances.

A lump sum provision of Rs.75,000 has been made on account of exchange compensation allowance under both the Executive and Accounts Branches based on the actuals for I895-96 and probables for I896-97 and the averages of the per

centages for the two years.

Examiner's Establishment.

Provision has been made for—

One Examiner Ist. Class

Two Examiners IV. class 3rd. Grad

being the establishment actually e

ployed at present.

A deduction of Rs.2400 per annum

on account of audit of the constructi

accounts of the Madras Harbour Works

(Land Revenue).

No. 417 Press, dated 11th November 1896.

Read the following :-

1. District list of works ~~prpo~~ proposed to be carried out by the Public Works Department during 1897-98.

2. Also Government Order, Revenue Department No.4238, dated 28th October 1896.

Resolution

With reference to Government Order No. 525 W, dated 28th February 1893, communicated with Government Order No.1084 Rev., dated 16th March 1893, the Board begs to submit a list of works proposed to be executed through the Agency of the Public Works Department during the year 1897-98.

2. In the lists received from Chingleput, North Arcot and South arcot, the allotment for 1897-98 has not been noted in respect of ~~th~~ the marginally noted works. The Collector of South Arcot states that the required information will be furnished as soon as it is received from the Superintending Engineer. The Collector of North Arcot simply states that the cost of improvements to the Wallajah Taluk office as estimated by the Tahsildar exceeds Rs.500. He will be requested to report what allotment is required for this work during 1897-98. Asum

Chingleput - Constructing a combined office for the Deputy Collector & Stationary Sub Magistrate at Tiruvallur

North Arcot - Wallajah Taluk -converting the Tahsildar's office room and the adjoining portion into a single room & certain other repairs to the Taluk office.

South Arcot-Erecting compound walls for the Chidambaram Taluk cutcherry.

of Rs.5490 is reported to have been expended in the construction of a combined office for the Deputy Collector and the Stationary Sub-Magistrate at Tiruvallur, Chingleput District. The balance of the estimate for this work viz., Rs.19470 has been sanctioned for expenditure during 1896-97 (Vide Government Order No.1761 W, dated 15th June 1896 communicated with Board's Proceedings No.378, dated 23rd July 1896). The Collector is requested to state whether the work is likely to be completed during 1896-97. If not, the allotment required for 1897-98 should be reported.

3. In Government Order No.2208 W, dated 29th July 1896, the estimate for constructing a Stationary Sub Magistrate's office at Melur was reduced from Rs.7960 to Rs.7735 but in the list received from the Collector of Madura, the former amount is still shown. The latter figure has been adopted in the Board's list.

4. The proposal to construct an office for the Stationary Sub Magistrate at Palghat having been abandoned in favor of a new Taluk cutcherry, providing accommodation for both the Tahsildar and the Stationary Sub Magistrate, (Vide Government Order No.3403 Rev., dated 21st August 1896), the former work has been omitted from the Board's list.
