Comitate

Over,

I have the honor to request you
 will be good enough to obtain the sanction
 of Government under Public works depart-
 ment Code II. II. 125 to open out a stock
 account in this division to relieve com-
 pleted works of serviceable materials at
 site which if sold would not fetch nearly
 their full value; at present there are use-
 ful materials outstanding at site of (1)
 Constructing Collector's Office at Calicut
 (2) Constructing Sub Registrar's Office at
 Kozhikode (3) Restoring the Enamatal Dam
 works which were completed some time ago
 and if the materials are to be kept at debit
 of the work until an opportunity offers for
 transferring them to some other work in
 progress, it may take months before the
 accounts of a work can be finally closed
 and as Code II. II. 129 permits the transfer
 of serviceable materials to stock, it would be

be well to open out a stock account
with a reserve limit of Rs. 1500.

I have the honor
