Sir,

With reference to my letter No. 965 W, dated 5th April 1897, asking for sanction to certain estimates amounting to Rs. ~~540~~ ³⁶⁴⁰, for the provision of quarters at Ootacamund for Secretariat Clerks, I am directed to state that a further estimate of Rs. 410 has been received for additional work found necessary ^{during} execution. This estimate of Rs. 410 is supplemental to the one of Rs. 1,500 mentioned in para 1 of my letter No. 965 W above quoted, which provides for the conversion of the old Warders' quarters on Jail Hill into quarters for 8 Clerks. I am accordingly to request that the sanction of the

The Suptg. Engineer when
submitting the estimate for con-
-verting the old wardens quarters
into quarters for 8 Native Seve-
-ntariat clerks, brought to notice
that there were only 5 godowns
for 8 clerks (vide flay 2). He
stated that he did not know
if native clerks required go-
-downs, but that additional
godowns could easily be built
if required.

These quarters have
been occupied this year by 8
Native clerks of different castes,
+ apparently the inconvenience
felt by them has resulted in
the present estimate for additional
godown accommodation.
