With reference to your disallowance list item 3, I have the honor to report that I have refunded Rs 51 as desired. I however request, as the amount disallowed, is very large, that you will consider the representation I made before and move the Superintending Engineer for orders for the amount to be passed to me.

I proceeded to Bandar under proper authority to procure the Medical Certificate as ordered. The Civil Service Regulations allow Travelling Allowance for journeys beyond jurisdiction so undertaken on duty under proper authority. The Medical examination was compulsory. I offered to produce a Medical Certificate

certificate declaring my fitness
for the duties of the Public Works
Department which certificate I ob-
tained for admission to the College
of Engineering, but my Executive
Engineer was not satisfied with it
and insisted on my obtaining a fresh
certificate. That first certificate
+ the $4\frac{1}{2}$ years subsequent special
training will be held I trust sufficient
conditions for appointment. As
however the Executive Engineer wanted
a fresh certificate I request that
my claims to Travelling Allowance
for the journey that had to be made
to obtain it may be passed as it can
hardly be the intention of Government
to put me to unnecessary expense
to obtain a second certificate &
as the claims further strictly admissible
under the rules.

P.W.D. 4028/97

Letter from Captain W. M. Ellis, A.
Engr. Engineer, Kistna Northern D. to
the Supg Engineer, 2nd Circle, dated
14.4.97, no 44 S.E.

I have the honour to inform
you that in the month of Octor '96
Messrs S. A. Jagadisa Iyer, Asst.
Engineer was ordered at the in-
stance of the Examiner to produce
a certificate of physical fitness
for public service. He appeared
before the District Surgeon at
Masulipatam and his journey
to that place was sanctioned
in your no 2772 K N D of 5th Jan'y 97.

2. The Asst. Engineer claimed
travelling allowance for the
journey but the Examiner dis-
allowed the claim on the ground
that an appointment to public
service is conditional on production
of the Certificate for physical
fitness and that Government
should not be made to bear
the cost of a journey undertaken
to procure such certificate.

3. The disallowance was communicated to the Asst. Engineer. He has refunded the amount of Rs 5/- disallowed by the Examiner but requests me to place his case before you for consideration. I have, therefore, the honour to forward herewith an extract of his letter bearing on the claim and request that it may be disposed of as you think fit.
