Executive Engineer's Office,

Coimbatore Division,

27th April 1897.

FROM,

A. A. G. Matet Esq.
EXECUTIVE ENGINEER,
COIMBATORE DIVISION.

TO,

THE SUPERINTENDING ENGINEER,

FOURTH CIRCLE

Encls:

SIR,

In continuation of this office No. 746 dated 24th February 1897 and with reference to your No. ¹²⁹~~127~~ dated 6th March 1897, I have the honor to report that Mr. T. Manicka Naicker Apprentice Engineer rejoined this Division from his course of equitation in November last and was posted to the Erode Sub-Division. He was put on for preparing estimates for reshuicing work on Thadapally channel from 22nd to 28th mile and forming bank with drainage culverts in the same reach, the former was completed with

considerable difficulty and the latter has nearly been completed. He was also put on the Bhavani Basin work in tracing out the old dam lines with their B Ms, was sent to the Karur Taluk leutcherri to examine the building with the plan and estimate, was asked to take the survey and levels of Mangamari for designing aqueduct and was placed in charge of the Bhavani and Sattyamangalam Taluks on the following works.

"Resluicing Thadapally channel from $11\frac{1}{2}$ to 18 miles, 8th mile Bridge work" and works in connection with the Getthisamudram, Eumamangalam Ananthasagaram and other tanks. He has done all these works to my satisfaction.

2. I consider that Mr. V. Manicka Naicker is fit to be put in charge of a Sub. Division.

3. He is active, anxious to learn

learn his work and obeys orders. He rides better than most men of his class.

I have the honor to be
Sir,
Your most obed^t serv^t.
Wm. H. H. H.
