With his letter read above

with the Chief Engineer that ~~only~~

Ottacamund Rest-house and they
are accordingly sanctioned: —

1st Class coir matting ----- Rs 164-13-7

Note by the Chief Engineer, P.W.D.

There is no doubt that at
Ootacamund coir matting or carpets
for the floors, as well as fenders, are
necessary. The inclusion, therefore, of
the following items in the revised esti-
-mate for the Rest-house at Ootaca-
-mund is reasonable:—

1st Class coir-matting..... Rs 164-13-7
Iron fenders Rs 45
Total Rs 209-13-7

The other items which bring the
excess up to Rs 262 in the case of the
Ootacamund Resthouse, as well as
the excess items in the revised estimates
for the rest-houses at Coonoor and Ben-
-hope, include only such articles
as every district officer may be
expected to take about with him
when travelling. The Chief Engineer
is of opinion that these items need
not be sanctioned.

NOTE BY TECHNICAL SECTION.

Name of work Providing furniture to certain rest houses in the Coimbatore Dist.

The SE IV Circle, submits for the sanction of Govt. the following three revised estimates for providing furniture to the Rest Houses in the Nilgiri District, Coimbatore Dist.

- (a) Rest house at Benhope Rs 302
- (b) — do — at Coonoor — Rs 394
- (c) — do — at Ootacamund Rs 535.

The original estimates for the above works were sanctioned in the Govt. order in the comparative statement below:

Rest houses	Govt. sanctioned by original estimate	Amount original estimate	Amount Revised estimate	Excess requiring sanction
Benhope	Rs. 80. 10. 94 W 20. 4. 95	110.	302.	122.
Coonoor	Rs. 80. 10. 26 W 28. 10. 95	70.	394.	121.
Ootacamund	Rs. 80. 10. 90 W 10. 1. 96	273.	535.	262.

(1) With reference to W's note, it is submitted that the provision of glass, lamps, crockery &c for the rest houses at Ooty, Coonoor, & Benhope was sanctioned by Govt. The attached slip shows the Govt. order which they were sanctioned.

(2) It will be seen from the attached that there has been a revised estimate already in each case.

(3) The ^{supply} provision of glass, lamps, crockery &c were included in the original estimates. The estimates now submitted only included a few articles like lamps, spare chimneys, knives &c to complete the stock, or probably to replace broken articles. &c

(4) From the remark in the estimates now submitted "furniture to be provided to complete the place", it is presumably to be inferred that the articles have not been got yet.

* except the matting & fenders for Ooty.

R.R.

C.M.B. 8/10/97.

The increase is chiefly due to the following extra furniture & crockery now required for the several rest houses, since found necessary to complete the place & to make the same more comfortable.

~~No.~~
27. IV. 97

This requires a lot of explanation in the first place and also another in the second, third & fourth. (1) The first is that the house has been placed under the management of the Public Works Department. (2) If all the articles provided for in the estimate of the house are not included in the original estimate. (3) The second is that the house has been placed under the management of the Public Works Department.
