Letter from J. E. Paul Esq. Esr.
 Engineer Buckingham Canal &c. to the
 Supg Engineer, Andrielo, 15th April 97
 No. 137.

With reference to your No. 48.0
 of 6.4.97 I have the honour to report
 that I had my staff Boat painted
 with Charlton Silicate paint about
 three months ago and the paints
 including the white paint have
 stood well the three months ex-
 -posure to the sun.

2. The Charlton paints now being
 sold by Messrs. Arbuthnot & Co
 have a printed certificate that
 they are mixed in England; paint
 of the same brand is, I am told,
 being sold in the market, that is
 mixed in Madras and consequently
 adulterated and worthless.
