Letter from the Supts. Engineer, II Circle, No 158 KW
dated 13th April 97

The undersigned is directed to inquire on what grounds the Supts. Engineer bases the recommendation made in the letter read above that Mr W. C. Lewis be invested with enhanced powers of caution.

2. This inquiry is made as Mr Lewis' work in the Coimbatore Division during the period from Decr. 1892 to April 1895 did not meet with the approbation of Govt.

The Draft Order on Current No. 3835 is now sanctioned.

2. I wish to point out that in this and all future cases, the recommendation of the C.E. should be expressly made for the sanction of the Govt. The latest recommendation of the C.E. is insufficient. The duty and function of the C.E. is to recommend, not to sanction. The sanction is the prerogative of the Govt. From the Subst. Eng. order, which appears here.

Major W. L. C. Baddley R.E.
Suptg. Engineer, II Circle.

For Order: C.E. is higher and more responsible than the
Suptg. Engineer, II Circle. A.S.H. 19.5.97

2. In reply the Suptg. Engineer refers
to his letter No. 81 K.W. dated 7 April 1897
