READ—the following paper:—

From T. W. S. SMYTH, Esq., Special Executive Engineer, Periyár Project Works, Madura, to the Superintending Engineer, VI Circle, No. 77 S.E., dated 21st January 1897.

I have the honour to bring before your notice the insufficiency of my establishment.

2. The following are my present establishment:—

- (1) Mr. A. V. Ramalingam Iyer, Assistant Engineer.
- (2) Mr. P. Subramany Iyer, 1st grade Overseer.
- (3) Mr. C. Thirumalachariar, Temporary Upper Subordinate.
- (4) Mr. V. N. Subbramany Iyer, Temporary Upper Subordinate.
- (5) Mr. V. Subrama Iyer, Sub-overseer, 3rd grade.
- (6) Sergeant E. Price (not yet joined).

3. Mr. Ramalingam Iyer has been warned for famine duty.

4. Overseer Thirumalachariar has only just left the college, and overseer V. N. Subbramany Iyer is unfit for hard work and has been recommended for transfer. The Executive Engineer, Madura division, states that he is unable to let me have any subordinate.

5. Under these circumstances I have no other course open than to surrender Rs. 25,000 out of the grant Rs. 1,10,000 for major works.

6. Sub-Conductor Slaney went off to Tinnevely without handing over charge or coming to see me, although I was at head-quarters waiting to take over from him. He is now detained there by the Court. This will delay Sergeant Price's coming by two or three days.

7. In addition to this, the large number of coolies working on the XII Branch channel have not returned since Pongul festival, but are working at harvesting operations and I am uncertain as to the progress this work will make.
