Letter from W. C. Lewis Esquire Executive
Engineer, Krishna Messem D.ⁿ, to the Supt.
Engineer, 2nd Circle, D. 21st December 96, no 4183

I have the honour to inform you that the period for which the rent of Rs 3/- per mensem was agreed to with the owners of the house occupied by the River Conservancy Sub Dⁿ Officers at Vellabur expired by 31st October 1896.

2. Owing to the high level in which the house is situated, it was the only one in the village which escaped submersion in the flood and consequently it has increased in value after the late floods and the owner asked to vacate the building.

3. A higher rate of Rs 6/- per mensem has been promised to the owner from 1st November 1896 on condition of vacating the building at 2 months notice if it is to be disposed of as the owner says.

4. I request you will be good enough to obtain sanction of Government to increase the rate of rent sanctioned in Ld. No 2021 W D of 6-11-95 to Rs 6/- per mensem with effect from 1st November 1896.
