BACK PAPERS.

FURTHER PAPERS.

From the Collector of South Arcot, No. 138 of 97, dated
14th May 1897:-

In resubmitting herewith the papers received with your endorsement No. 426, dated 18th February 1897, I have the honour to report that the site originally selected for the Sub Registrar's office at Valavanur is part of a Mandavanam with fruit trees and flower plants which the residents earnestly wish may not be disturbed. The cost of acquiring the land with its trees will amount to Rs. 300/- a sum which is far in excess of that provided for in the estimate viz., Rs. 100/-. I have personally inspected the site and am of opinion that some other place might be selected for the Sub-Registrar's office in deference to the wishes of the inhabitants. The Sub Collector will be asked to select another site.
