At the instance of the Sub-collector, I have the honor to request that Government will be pleased to have the marginally noted corrections made in the notification published under Section 6 of Act I of '94, at page 1024, Part I of the Fort Saint George Gazette of 11.8.96.

2. The office copy of the draft notification, however, does not contain these mistakes which seem to have somehow crept in either in the fair copy submitted to Government or in printing.
