The Secretary to Government,
Marine Department,
Chepak.

Sir,

With reference to the repairs to the pier at Tuticorin to which sanction was accorded in G.O. dated 19th May 1896 No.357, Marine, I have the honor to acquaint you, for the information of Government, that the repairs have not yet been taken in hand and as the structure is likely to suffer in consequence the cost of repairs to be enhanced, I would enquire whether under the circumstances permission may not be accorded to my having the repairs in question undertaken by a local Firm provided that they are carried out under the supervision of the local Port Officer.

I have the honor to be,

Sir,

Your Obedient Servant,

Butcher

Commander, R.I.M.,
Presidency Port Officer.
