

GOVERNMENT OF MADRAS.

REVENUE DEPARTMENT.

READ—the following Proceedings of the Board of Revenue (Revenue Settlement, Land Records and Agriculture), dated 18th May 1897, Mis. No. 3487 :—

Read—the following letter from the Collector of Ganjam, to the Secretary to the Commissioner of Revenue Settlement, Land Records and Agriculture, dated 9th May 1897, R.C. No. 643-F. :—

With reference to Board's Proceedings, No. 266, Press, dated 2nd April 1897, I have the honour to state that the marginally-noted feeder roads are desirable and that with the exception of No. 1, they can be undertaken as relief works.

1. Chicacole-Dusi station.
2. Kota Bommali-Bommali station.
3. Govindapur-Pundi station.
4. Brahmanatarla-Anantagiri feeding Pundi and Palasa stations.
5. Jagannathapur village (unimportant)-Jagannathapur station.
6. Golanthra-Golanthra station.

2. Estimates are ready for the first and third roads; and those for the other roads are under preparation.

Resolution—dated 18th May 1897, Mis. No. 3487.

Submitted to Government with reference to G.O., No. 210, Revenue, dated 26th March 1897.

(True Copy and Extract.)

(Signed) L. E. BUCKLEY,
Famine Secretary.

To the Secretary to Government, Revenue Department.

ORDER—No. 394, Revenue, dated 26th May 1897.

Miscellaneous.

All the roads except the first may be undertaken as relief works should necessity arise. The preparation of the estimates for roads Nos. 2, 4, 5 and 6 should be expedited.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From J. C. JOHNSTON, Esq., Executive Engineer, Kurnool Division, to the Superintending Engineer, III Circle, dated 7th May 1897, No. 679.

I have the honour to forward, herewith, an application from Engineer Subordinate student N. G. Venkatarama Aiyar for the sanction of conveyance allowance at Rs. 30 per mensem. I agree with the Sub-Division officer in thinking that Rs. 15 is not sufficient to maintain a pony in these days, and I therefore request you will be good enough to obtain the sanction of Government for the grant of the increased allowance asked for. I inspected his relief works quite lately and was agreeably surprised with the manner he managed them. The management was not perfect, but there was no confusion, and he had all his books and papers fairly up to date.

From H. E. CLERK, Esq., Executive Engineer, Bellary Division, to the Superintending Engineer, III Circle, dated 10th May 1897, No. 3590 B.

The Government of India in their order, No. 164, dated 20th June 1894, communicated with Madras Government order, No. 1823 W.,* dated 20th July 1894, stated that they were not in favour of granting horse allowance to students of the Engineer Subordinate class undergoing practical training on works.

In paragraph 1 of the same order, mention is made that the concession has been extended to Engineer students in "special cases." What these "special cases" are, is not known as G.O., No. 3082 W.,†

† G.O., No. 832, Educational, dated 13th November 1893.

dated 29th November 1893, which presumably contains the order in question, is not forthcoming in this office.

The above order about Engineer Subordinate students apparently refers to the period of training on works in ordinary years.

The Engineer and three Engineer Subordinate students now attached to this division are exclusively employed on famine-relief works. All of them hold independent charge of works or section of works (which is unlike the nature of training generally given them in ordinary years), and have therefore much moving about near headquarters for which horses are indispensable. They will not be efficient without. It is unfair to expect them to maintain horses at their own expense from their small pay of Rs. 25 and 20. I therefore propose to pay them horse allowance at Rs. 15 per month each, and have the honour to request you will be good enough to obtain the requisite sanction at an early date to this being done as a special case.

No. 1075 W.

Copies forwarded to the Chief Engineer, Public Works Department, with a request that he will be good enough to obtain the sanction of Government to the grant of horse allowance to Engineer and Engineer Subordinate students now serving in this Circle on famine-relief works as a special case.

2. These students are doing better work and are receiving worse pay for it, than any other subordinates on relief works. The undersigned does not consider Rs. 15 a sufficient allowance, it being impossible to maintain a pony for it at present prices. It is requested that a horse allowance of Rs. 30 may be granted.

(Signed) W. HUTTON,
for Supg. Engineer, III Circle.

18th May 1897.

No. 2696 C., Public Works.

Transferred to the Educational Department with reference to G.O., No. 496, Educational, dated 7th July 1894.

2. It is suggested that the Government of India be moved to grant, as a special case, horse allowance at the rate of Rs. 30 per mensem to Engineer Subordinate students employed on famine-relief works.

(Signed) D. McNEIL CAMPBELL, Colonel, R.E.,
Secretary to Government.

28th May 1897.

ORDER—No. 1671 W., dated 18th June 1897.

His Excellency the Governor in Council is pleased to sanction the grant of a famine allowance of Rs. 30 per mensem to all Engineer and Engineer Subordinate students who are employed on famine-relief works, in consideration of the extra work devolving on them.

9/6/97
A.S.K.
15.6.97

Will find kept kindly
say in what dept.
this should be sanctioned

S.P.
10/6/97
For Dept

As the Short's allowance is to be granted for work performed in the P. W. Dept it is thought that that Dept should sanction

Cub
11.6.97
To. P.W. Dept.

Engineer Students who are undergoing their practical course in Public Works Divisions and who have been required by the P.W.D. to maintain a horse are granted a horse allowance of Rs 15 per mensem. vide G.O. no. 832 Ed. & 13th November 1893, Flag A

As regards Engineer Subordinate Students, the Govt of P. in their letter no 164 & 20th June 1894 declined to extend the concession of a horse allowance to them and observed that it was not in favour generally of the principle of granting a horse allowance to students and stated that

they might be given ordinary travelling allowance - vide G.O. no. 496 Ed & 7th July 1894. Flag. B.
The P. W. D now requests

11/6/97

11/6/97

that the Govt of I. may be moved to sanction a horse allowance of Rs 30 per mensem to Engineer and Engineer Subordinate students employed on famine relief works. In other words it is requested that the horse allowance to Engineer students may be raised from Rs 15 to Rs 30 p.m. and that the grant of the allowance may be extended to Engineer Subordinate students.

It is for consideration whether, instead of asking the Govt of I. to sanction an enhanced horse allowance which it may not be willing to do, the students employed on famine relief works ^{may} not, in consideration of the extra work thrown on them, be granted a charge allowance, either in lieu of the subsistence allowance they now draw or in addition to it.

Eng. Students draw subsistence allowance at the rate of Rs 25 or Rs 50 per mensem and Eng. Sub. Students at the rate of Rs 20 or Rs 30 per mensem according as they are natives or Europeans.

vide art 1X of the College of Eng. Rules, clause (1) & (2)

File No. C. H. 11. The allowance if conceded is properly a famine

charge. Had an educational. If the Govt is willing to accept it as such, there is of course no objection in this dept. 11/10/97

Letter from H. C. Clerk Esq. Esq. Engineer
Bellary Division No. 3590 B dated 10 May
1897 to the Supt. Engineer, III Circle, Bellary.

The Government of India in their
order dated 20th June 1894, No. 164, communicated
with Madras Government order No. 1823 W,
dated 20th July 1894, stated that they were
not in favour of granting horse allowance
to students of the Engineer Subordinate class
undergoing practical training on works.

In para 1 of the same order mention is
made that the concession has been extended to
Engineer Students in "Special Cases." What these
"special cases" are, is not known as G.O. No. 3082 W,
dated 29 November 1893, which presumably
contains the order in question is not forthcoming
in this Office.

The above order about Engineer Subordinate Students
apparently refers to the period of training on
works in ordinary years.

The Engineer and 3 Engineer Subordinate Students
now attached to this Division are exclusively
employed on Famine Relief works. All of them hold
independent charge of works or section of works (which is
unlike the nature of training generally given them in
ordinary years) and have therefore much moving about
near

near head quarters for which horses are indispens-
-sable. They will not be efficient without them.

It is unfair to expect them to maintain horses
at their own expense from their small pay of Rs
25 & 20. I therefore propose to pay them horse
allowance at Rs 15 per month each and have
the honour to request you will be good enough
to obtain the requisite sanction at an early date
to this being done as a special case.

No 1075W of 18 Decy 1897

Copies forwarded to the Chief
Engineer P.W.D. with a request that he will be good
enough to obtain the sanction of Government to the
grant of horse allowance to Engineer and Engineer
Subordinate students now serving in this circle
on famine relief works as a special case.

2. These students are doing better work and are
receiving worse pay for it than any other subordinates
on relief works. The undersigned does not consider
Rs 15 a sufficient allowance it being impossible
to maintain a pony for it at present prices. It is
requested that a horse allowance of Rs 30 may be
granted.
