Annual Return of all Appointments

Communicating to officers of the department for guidance the Examiner's office-note No. 278 A., dated 14th June 1897, with the specimen form therewith submitted, in regard to the —, permanent and temporary, sanctioned and abolished by the Government of Madras in the Public Works Department.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers:—

From W. B. DEWINTON, Esq., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department, dated Bellary, 21st May 1897, No. 1125 W.

With reference to G.O., No. 1100 W., dated the 29th April 1897, I have the honour to enquire whether—

- (1) the return has to be submitted to the Examiner by my office or the respective Division offices;
- (2) the return under subordinate establishment of all kinds is to include maistries and gumastas paid from estimates, mile men, watchmen, &c.

The object of the proposed return is not clearly understood, and any information on the subject, or a specimen form filled up, will be acceptable.

Office-note from the Examiner, Public Works Accounts, dated Madras, 14th June 1897, No. 278 A.

Herewith two statements, A and B, prepared in the forms laid down in Government of India Circular No. 629 G., dated 6th March 1897, and with a few sample entries filled in.

2. With reference to query (1) of Superintending Engineer's letter under notice, it would be as well to explain to him that this return is required to be submitted to the Examiner by all heads of offices punctually by 15th of August of each year, where they will be verified and then sent on to Government by 1st September following (*vide* my office-note No. 156 A., dated 13th April 1897).

3. It is taken for granted that works establishment is not intended to find a place in the return. As for the rest, its object seems self-explanatory and to need no further elucidation.
