PUBLIC WORKS DEPARTMENT.

Establishment.

Read—the following papers :—

From W. B. deWINTON, Esq., Superintending Engineer, III Circle, to the Chief Engineer, Public Works Department (through the Collector of Kurnool), dated 29th April 1897, No. 607 W.

I have the honour to forward herewith a statement of proposition for the executive and office establishment required for the execution of famine-relief works in the Kurnool division, and to request you will be good enough to obtain the necessary sanction of Government to the same.

2. From the statement herewith sent, it will be seen that the establishment required under all heads has been entered in it for easy reference, including the office establishment sanctioned for the Famine sub-division in G.O., No. 508 W. of the 20th February 1897, two accounts clerks on Rs 50, considered necessary and recently appointed by the Examiner, one clerk on Rs. 30, one clerk on Rs. 25, one on Rs. 20 and five on Rs. 15 for the Division office.

3. Of the executive establishment applied for, there remains only one upper subordinate to be provided for as detailed below and he will, it is presumed, be supplied by the Collector, as two more Local Fund overseers are reported to have been promised, if required :—

—	Applied for.	Existing.	Required.
Executive Engineers	1	1	..
Assistant do.	3	3	..
Upper Subordinates.			
Sub-Engineers	2	2	..
Supervisors	1	1	..
Overseers	20	* 19	1
Total ..	27	26	1

* Including two Local Fund overseers and two overseers posted in telegram of 23rd instant.

4. As regards the 24 sub-overseers asked for, 17 have been already appointed and the remainder will be taken on as necessity arises, provided that capable men can be found. Passed surveyors are being offered a salary of Rs. 50, and as many of them as are available will be appointed.

5. There are already 28 worksites, and several more are likely to be opened shortly. So the establishment now asked for is certain to be required.
