Establishment

Sanctioning the temporary — required for the II Circle during 1897-98 as detailed in the statement submitted by the Superintending Engineer.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

General.
Establishment.

READ—the following papers :—

From Major W. L. C. BADDELEY, R.E., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, dated Bezwada, 23rd April 1897, No. 44-Gl.

I have the honour to forward herewith, for sanction of Government, a proposition statement for the temporary establishment required in the II Circle during 1897–98.

2. With the exception of the following, the establishment is almost similar to that sanctioned in G.O., No. 596 W., dated 3rd March 1897 :—

(1) Provision for three more surveyors and eighteen more lascars for the Project sub-division, Kistna Western division.

(2) Provision for a net increase of Rs. 2 for sweepers in the Nellore division.

3. *Item* (1). It is most essential that the investigation work in the Kistna Western division should be pushed on as until this is completed little can be done to economize water and extend cultivation.

Item (2). The increase is due to increased work of the sweeper under the circumstances explained in the statement.

From Captain W. M. ELLIS, R.E., Executive Engineer, Kistna Northern division, to the Superintending Engineer, II Circle, dated 3rd May 1897, No. 106 S.E.

The workshop superintendent has brought it to my notice that, by the establishment sanctioned for the temporary establishment in the workshops, the pay of three men, who have for years been drawing Annas 6 per day, has been reduced to Rs. 10 per month, viz. :—

(1) Time-keeper—carpenter shop.
(2) Do. fitters' shop.
(3) Workshop tools writer.

2. This is owing to an error in drawing out the original statement: the rate of pay intended was Rs. 12, and I request that this may be passed for the present holders of these appointments who have given approved service for some years on the higher rate of pay.

The alteration is to be understood to be a personal one and the pay of the post, should a vacancy occur, may be considered at Rs. 10 only.

3. I would request you to alter the proposition statement as per paragraph 3 of this office No. 8-S.E., dated 3rd April 1897, in accordance with the above, making a note of explanation in the column of remarks.

No. 381 K.N.

Forwarded to the Chief Engineer, Public Works Department, in continuation of this office No. 44-Gl., dated 23rd April 1897, for favour of altering the pay from Rs. 10 to Rs. 12 of the following establishment in Bezwada workshops, Kistna Northern division, in the proposition statement for 1897–98 :—

	Rs.	Rs.
One assistant time-keeper, carpenter shops		10 to 12
One assistant fitter for smiths' shops		10 to 12
One workshop tools writer		10 to 12

The Workshop Superintendent has brought it to my notice that by the Establishment Sanctioned for the temporary establishment in the workshops, the pay of three men who have for years been drawing 0-6-0 per day has been reduced to Rs 10/- per month, Viz.

(1) Timekeeper - Carpentershop.
(2) do. - Fittershop.
(3) Workshop Tools Writer.

2. This is owing to an error in drawing out the original Statement the rate of pay intended was Rs 12/- and I request that this may be passed for the present holders of these appointments who have given approved Service for some years on the higher rate of pay.

The alteration is to be understood to be a personal one and the pay of the post, should a vacancy occur may be considered at Rs 10/- only.

3.

3. I would request you to alter the proposition Statement as per para 3 of this Office no 8 S.E. dy 3.4.97 in accordance with the above making a note of explanation in the column of remarks.

Enclos: 1

Sir,

I have the honour to for Sanction of Govt
forward herewith a proposition
Statement for the temporary
establishment required in the
II Circle during 1897-98.

2. With the exception of the following the establishment is almost similar to that sanctioned in G.O. 596 W dt 3.3.97:-

(1) Provision for 3 more Sircars
Peons and 18 more Lascars
for the Project Sub Dn. Kistna
Western Dn.

(2) Provision for a net increase
of Rs 2/- for Sweepers in
the

the Nellore Dn.

3. Item (1) It is most essential that the investigation work in the Kistna Western Dn. should be pushed on, as until this is completed little can be done to economize water and extend cultivation.

Item 2 The increase is due to increased work of the Sweeper, under the circumstances explained in the Statement.

I have the honor to be,
Sir
Your most obt. Servt.

W. Bardsley

Note for His Excellency the Governor

The temporary establishment applied for by the Superintending Engineer, II circle, in the year 1896-97 was sanctioned in G.O. No. 596 W dated 3-3-97, after a very full inquiry. All the points requiring notice were explained in the note attached to the G.O.

The Statement now submitted is for the establishment required in 1897-98. It is in most respects identical with that sanctioned for 1896-97, the exceptions being as follows:-

(1) Three more Surveyors on Rs 80 each per mensem and 18 more Lascars on Rs 6 each per mensem are applied for for the Project

Sub

sub division in the Kistna Western division. The Chief Engineer for Irrigation has brought to notice that this extra establishment is absolutely necessary for the revision of a large project (which is now a source of objection). The ordinary establishment of upper subordinates has been so weakened by the transfer of men to relief works, that it is not possible to carry out the revision without the aid of temporary Surveyors.

(2) The pay of the sweeper in the Gudur sub-division office is increased from Re 1 to Rs 4 per mensem on account of extra work, while a sweeper in another sub-division on Re 1 per mensem is not required, the net increase being Rs 2 per mensem.

(3) The pay of the Asstt. Time Keeper, Asstt. Fitter and Asstt. Store-writer in the Bezwada workshops is increased from Rs 10 to Rs 12 per mensem. It is explained that these men were for years on a daily wages of six annas, and that it was intended to enter their monthly pay at Rs 12 per mensem, but that by a mistake in drawing up the statement for the previous year, the rate was entered as Rs 10.

The reductions in the statement amount to Rs 34 per mensem, while the net increase over the statement for 1896-97 is Rs 323 per mensem.
