Sir,
Waltair.

I have the honour to bring to your notice that the budget grant for "Canal 18th Class Talug Cutchery - Koor" for 1896-97 was increased to Rs 9147 for the completion of the work in G.O. no. 605W of 4³/₄ but again reduced to Rs 8592 G.O. no. 861W of 25.3.97 owing to the improbability of getting the requisite quantity of English cement before 31-3-97.

2. The cement was however despatched from P. Stas towards the end of March 97 and the value adjusted in the accounts for March 1897 pending the arrival of the barrels at Koor. In consequence of this adjustment, the outlay exceeded the revised grant by Rs 633.

3. I have the honour to request that under the circumstances, you will be good enough to obtain the sanction of Government for the admission of the excess over appropriation by the Examiner P. accounts.
