OFFICE NOTE No. 301A

To

W.

When addressing Government in my O.N.No. 148 C. dated 1st April last on the subject of two extra clerks required for this office for additional work caused by the formation of the Light House Division and famine accounting (since sanctioned in G.O. 1089 dated 27th. idem), I hinted at the possibility of having to ask for further assistance when the famine developed.

2. Government are aware that during the last month or 6 weeks there has been a very large increase both in the famine area affected and in the number of workers employed on relief operations.

3. This has necessarily caused a corresponding and heavy increase in accounts and audit work.

4. At the time of making my last representation on the subject my office was working at high pressure; but the work has increased out of all proportion to the extra assistance there-after sanctioned, and every available

hand has since been sent out in connexion with this emergency.

5. I had hoped that the need for any further help in my office would have been obviated, but the time has come when I feel myself compelled to ask Government for sanction to the entertainment of 3 more temporary clerks at a total cost of Rs.90 per mensem for the purpose.

6. I do this reluctantly, but under a full sense of the real necessity for making this request if arrears of work and subsequent complications are to be avoided.

7. I would ask that this matter may be treated as very urgent, and early orders communicated.

8. A proposition statement is attached for favour of formal sanction.
