Proceedings of the Board of Revenue

(Land Revenue)

Forest NO 458 Misc, dated 19th May 1897

Read letter from the Conservator of Forests, South-
ern Circle, dated 2nd February 1897, R.C. NO 2779 and reference
thereon dated 13th February 1897.

Read also letter from the Collector of Tinnevely
dated 27th April 1897, Dis NO 812, submitting to the Board ~~proposals~~
proposals for the acquisition of site in Srivilliputhur for the
construction of the Forest Ranger's Office in the place.

Resolution.

In recommending the construction of an -
office according to the standard design for the Deputy Collector
at Srivilliputhur, the Collector of Tinnevely proposed that two
rooms might be added to the building to provide accommodation
for the Forest Range Office. As the Collector's proposal was lia-
ble to the objections expressed in para 4 of B.P.F. NO 471 Misc,
dated 27th March 1896 disposed of in G.O. NO 1906 Mis, Revenue, d/
16th May 1896, the Board returned the matter to the Conservator
and the Collector for further opinion. In the meantime, the question
of constructing a Deputy Collector's Office was submitted for the
orders of Government who directed the Superintending Engineer,-
VI Circle, to prepare the necessary plan and estimate (vide G.O.
R. NO 500 dated 10-3-97).

2 The Collector now reports that the Forest Range Office need
not be constructed as a part of the Deputy Collector's Office -
building, but that the accommodation required therefor may be pro-
vided in a separate building to be constructed in the North West-
ern portion of the site between the Deputy Collector's bath-room

and the compound wall. The Board supports the Collector's proposal, and thus modified, and requests Government to direct the Superintending Engineer, VI Circle to provide, in the plan and estimate called for in the G.O. quoted at the end of para 1 supra, for the construction of the Range Office in the compound of the Deputy Collector's Office as indicated in the plan received with the Collector's letter read above.

3 Draft notifications for the acquisition of the necessary sites for the construction of the Deputy Collector's Office, the Forest Range Office and the Police station at Srivilliputhur have been forwarded to the Chief Engineer, P.W.D. with B.P. NO 1665 Mis, dated 7-5-97.
