ORDER :- No. 532, dated 12th June 1897.

The specifications and plans connected with the estimate of Rs. 16,500 for fittings in the Physical Laboratory and class room at the Presidency College will be forwarded to the Director of Public Instruction in view of the work being carried out departmentally. As the Public Works Department is unable to provide the requisite funds during the current year, the work must be deferred, except such portion of it as is absolutely necessary for efficient instruction. The Director of Public Instruction will accordingly be requested to report at an early date what portion of the work should be immediately carried out and what funds will be required therefor.
