READ—the following paper:—

From F. C. HARRISON, Esq., Officiating Accountant-General, Madras, to the Secretary to Government, Public Works Department, dated 10th June 1897, No. 1745.

With reference to your memo., No. 2648 C., dated the 26th May 1897, referring to me for report letter,\* No. 898, dated the 18th idem, from the Sanitary Engineer to Government, requesting that

the two peons of the Boiler Inspector may be supplied annually with two blue cotton suits, I have the honour to state that there is no audit objection to the proposal and to request that, if the supply be sanctioned, it may be included in the revised list of inferior servants supplied with liveries at Government expense appended to G.O., No. 1095, Public, dated 3rd October 1896, the supply being made by the Superintendent of Stationery as in all other cases, as directed in G.O., No. 1004, Public, dated 11th December 1895.

## ENCLOSURE.

From J. A. JONES, Esq., MEM. INST. C.E., F.R.S.E., Sanitary Engineer to Government, to the Secretary to Government, Public Works Department, dated Fort St. George, 18th May 1897, No. 898.

I have the honour to inform you that the peon who accompanies the Boiler Inspector complains that his duties necessitate him entering the boiler with the Inspector and that consequently he has ruined his clothing which he is unable to afford.

2. I think this is a case which deserves consideration and a peon on Rs. 8 can hardly be called on to provide clothing for such duty as well as for office. There are two peons and I suggest that they be allowed yearly two suits of blue cotton, similar to what engine coolies wear; the amount can be met from "contingencies."

ORDER—No. 1795 W., dated 3rd July 1897.

The supply is sanctioned and will be included in the revised list appended to G.O., No. 1095, Public, dated 3rd October 1896. The supply will be made by the Superintendent of Stationery.
