No. 533, MARINE, 14TH JUNE 1897.

GOVERNMENT OF MADRAS.

MARINE DEPARTMENT.

READ—the following paper:—

From J. N. ATKINSON, Esq., I.C.S., Chairman, Harbour Trust Board, Madras,
to the Secretary to Government, Marine Department, dated 3rd June 1897,
No. 1115.

I have the honour to acknowledge the receipt of your memo., dated 31st March,
No. 237 E., and to inform you in reply that on enquiry I find that the General
Superintendent, Public Works Workshops, is prepared to undertake the repairs of the
Harbour Master's Steam launch in future, should Government direct that they are to
be carried out by him instead of by the Board's Engineer and local firms as hitherto.

ORDER—No. 533, Marine, dated 14th June 1897.

His Excellency the Governor in Council observes that the Public Works Work-
shops at Madras are maintained with the distinct object of meeting the requirements
of all departments of the public service, and that public interests would be best
served by keeping the shops fully employed. His Excellency in Council, therefore,
hopes that the Harbour Trust Board will see its way to employing the shops on all
suitable occasions in which work cannot be carried out departmentally under the
direct supervision of the Board's Engineer.

(True Extract.)

(Signed) D. McNEIL CAMPBELL, Colonel, R.E.,
Secretary to Government.

To the Chairman, Harbour Trust Board.
