PROCEEDINGS OF THE MADRAS GOVERNMENT.

READ the following paper:—

From the Inspector-General of Police, Madras, No. 1928, dated 31st May 1897.

1928, dated 31st May 1897.

I have the honour, with reference to G.O.No.175, Judicial, dated 28th January 1896, communicating the sanction of Government to an estimate for a Police Ward for the Hospital at Kollegal, to state that it was originally proposed to locate it in the compound of the new Local Fund Hospital. But as the District Medical Officer and the Apothecary in charge of the Hospital objected to this on sanitary grounds, it was decided by Mr. Bagshawe, when acting for me, ^{that} ~~and~~ it should be built in the compound of the Inspector's quarters about two hundred and sixty yards from the existing Local Fund Hospital but close to the apothecary's own house.

2. It is ^{now} proposed to build a latrine close to the new Police Ward as the Police patients will not be able to use the latrine attached to the Local Fund Hospital as was originally intended. As the estimate for the Police ward was for Rs.4250 the work is being carried on by the Public Works Department and the sanction of Government is therefore necessary for the proposed expenditure of Rs.250 on constructing a latrine. It is reported that there is ample room in the compound for the latrine and I have the honour to request that the sanction of Government may be granted for its construction.
