FURTHER PAPERS

Read the following Endorsement of
the Public Works Department, dated 14th January 1897, No. 4 W
on Endorsement of the Revenue Department, No. 5 R, dated 5th
January 1897, referring to the Public Works for favour of
early remarks, Proceedings of the Board of Revenue (Revenue
Revenue Settlement, &c) dated 31st December 1896, No. 6867 M
Mis.

Returned to the Revenue Department with the remark that the proposed channels should properly form part of the Rushikulya Project. The probable excess over the sanctioned estimates for the project requires the sanction of the Secretary of State. To determine what portion of the expenditure to be incurred on the channels for famine relief purposes should be charged to the project,

the modified rules referred to in the last para of the enclosure of the Government of India letter printed in P.M.G. No. 3684 W, dated 23rd December 1896 are awaited.

2. A telegram has been sent to the Superintending Engineer I Girga to expedite the submission of estimates.

Order thereon, No. 679 Mis.d/5th February 1897.

The Government considers that the work proposed by the Collector of Ganjam is very suitable for famine relief, and that it should be ^ccommenced as soon as it may be found to be necessary, the cost being debited to "33 Famine relief", not to Project Funds.

2. Steps will be taken in the Public Works Department for the estimates being sanctioned at an early date.
