Note for His Excellency the Governor

The accompanying revised draft is submitted. ~~This~~ will obviate the necessity for any reference to the Government of India in regard to expenditure on Government House Guindy. It will doubtless be quite possible for the Consulting Architect to postpone some of the items of the estimates for the buildings at that Government House, so as to bring the excess of Rs. 880 into next official year-or it ~~may~~ be possible to do all the work this official year and defer payment to this extent. He will be written to on the subject, if His Excellency approves the revised draft.

Sir

I am directed to state that an estimate of Rs 9,880 for adding an upper storey to the Military Secretary's bungalow at Gout House, Quindy, which His Excellency the Governor in Council considered to be urgent was ^{that} sanctioned and ^{provided} the necessary funds were ~~allotted~~.

2. An allotment of Rs 26,040 for constructing servants' quarters, Gout House, Quindy, the estimate for which was sanctioned in the Govt of India letter No 334 B dated 25th August 1896, was made during 1896-97. A portion of this allotment having been surrendered very late in the year after the budget programme for 1897-98 had been settled,

no

The allotment for the servants' quarters is therefore restricted to Rs 5,120, which together with the grant for the Military Secretary's bungalow will amount to Rs 15,880. The C.A. will ~~decide~~ the ~~expenditure~~ on the ~~work~~ ~~are~~ ~~now~~ ~~being~~ ~~done~~.

The C.A. to Govt
- Encl. P.W. Acts
- Encl. Secy. to H.E. the Governor

no provision was made for the work in the budget estimate for that year. The Consulting Architect now applies for a grant of Rs 6,000 for expenditure in the current official year to complete the work and, as it is not advisable to postpone the ~~work~~ ^{it} in the present stage, His Excellency the Governor in Council considers that the allotment applied for should be sanctioned.

3.

As the total grant for Gout House, Quindy, will amount to Rs 15,880 which is in excess of the limit prescribed in para 10, Chapter VI, Vol II of the P.W. code, I am directed to request the sanction of the Govt of India to the allotment of Rs 6,000 for constructing the servants' quarters, which has been made pending approval.
