Dated Madras,

July 1897.

I says in his note that the rates cannot be checked. There is nothing in the papers to show that the estimate is for a Famine Relief Work and that it should therefore be sanctioned before obtaining data for the rates. In these circumstances orders are solicited as to whether a draft order sanctioning the estimate should be put up or whether data for the rates provided in the estimate should be called for.

The rates provided in the estimate of Rs 22,786 for Constructing a road from Yemmiganur to the Kurnool frontier, received with the endorsement in the Local and Municipal Dept. No 678 dated 24th June 1897, Cannot be checked and there is nothing to show that the work proposed is for Famine Relief. In the absence of such information it is essential that data in support of the rates should be submitted. The estimate has not been countersigned by the President of the District Board as required by rule 35, Chapter I of the Local Fund Rules circulated with G.O. No 1995W dated 10th August 1896

In the above circumstances,
the estimate is returned with the re-
quest that the Countersignature of
the President thereto may be obtained
and the estimate resubmitted with
data for rates.
