31-7-95

4. That the petitioner replied on 3rd August 1895 to say that he accepted the offer but that, as he had by that time availed himself of his Privilege leave of 2 months, he would report himself for duty after the expiration of his leave and that if urgently required he would join at once.

Vide Enclosure No. 3.

5. That in reply petitioner got memo* No 1105 dated 15th Augst 1895 from the Superintending Engineer, I Circle appointing him to the post of Delta Superintendent 2nd Grade in the Godavari Eastern Division and requiring him to join at once.

*Vide Enclosure No. 4.

office cancelling the unexpired portion of his leave and was relieved there on the afternoon of 3d September 1895.

7. That petitioner immediately thereafter made his preparation and started and reached Bezwada on 13th September 1895.

8. That just at that time there were heavy rains & breaches everywhere and there was no communication at all of whatever sort between Bezwada and Dowleswaram where he had to report himself: and therefore petitioner that very day & on the next day* wired to the Executive Engineer of his Division and awaited orders at Guntur.

*Vide Enclosure No. 5.

9. That petitioner received a reply* telegram on 16 September 1895 asking him to take next steamer at Masulipatam, which telegram reached petitioner on 19th September 1895.

*Vide Enclosure No. 6.

10. That petitioner therefore on 20th September 1895 started for

Petitioner therefore, to save delay, started immediately by road &, travelling continuously, reached Dowleswaram on the morning of the 25th idem and reported himself for orders on the forenoon of that very day in the office of the Executive Engineer, he being then on circuit.

Vide Enclosure No 7

11. That the 29th of that month was a Sunday & the Executive Engineer returned to Dowleswaram on the 30th and gave instructions to Petitioner to do duty as Delta Superintendent at Kapilaiswarapuram where he arrived on the 3rd October and applied to the holder of the place for delivery of charge who took time till the 9th, & petitioner was till then working with him and checking and taking charge of the materials along the canal Bank.

12. That before starting from Madura the petitioner on

3

3rd September 1895 applied through the Divisional officer at Madura for grant of Travelling allowance from Madura which was duly forwarded to the Chief Engineer for sanction, but the Chief Engineer by Proceedings No 1144 I dated 24th September 1895 refused to sanction it.

Vide Enclosure No. 7.

13. That before petitioner received the above endorsement order of the Chief Engineer he applied according to amended para 1 of article 1205 of Civil Service Regulations to the Executive Engineer of Godavari Eastern Division for his Travelling allowance from Madura, but that officer through whom the said order No 1144 of the Chief Engineer had passed not only refused by his order of 17th October 1895 No 971 D to recommend for petitioner's Travelling allowance from Madura to Dowleswaram, but also refused Travelling allowance from Dowleswaram to Kapileswarapuram and Salary from 28th September to 8th October.

Vide Enclosure No. 8.

14. That petitioner then re-presente

-presented the matter to the Chief Engineer on 4th November 1895 and got G. O. No. 249 W dated 21st January 1896 viewing his transit as covering a period of 35 days from 4th September to 8th October and holding that Civil Service Regulation Article 1191 was not applicable to the Petitioner's case.

Vide enclosure No. 9.

15. That petitioner on .x. dates noted in the margin submitted petitions for reconsideration of the above Government order dated 21st January 1896 to the Chief Engineer through the Executive Engineer, but the result of all this has been that they hold that the matter is concluded by the Government order aforesaid.

16. That Petitioner ~~also~~ begs respectfully to invite your Excellency's kind attention to article 891 of the Civil Service Regulations which prohibits an officer proceeding on Privilege leave from retiring or resigning or taking any other leave immediately after return to duty or during the continuation of the leave.

The

The Petitioner was on privilege leave in the Madura office, a portion of which was cancelled, and the petitioner rejoined office there in order that he may thence proceed and join the new appointment. The new appointment can therefore be regarded as only a change of appointment and continuation of petitioner's service under Government.

17 That petitioner begs to submit that the period of his transit has been only 24 days since he delivered charge at Madura on the afternoon of the 3rd September and reported himself "for orders" at Dowleswaram on the forenoon of the 28th of the same month as required by his order of appointment. Petitioner was ready and willing from 28th September to do whatever duty was entrusted to him and he was actually checking the instrument and doing other work before he took formal delivery vide Progress Report.

Vide enclosure No. 4.

OFFICE NOTE No. 2112 D/E.

To

W.

Your O.N.No.2856 C.dated IIth.June 1897.

The petitioner held no substantive appointment in the P.W.D. at the time of his appointment as Delta Superintendent, and he has, consequently, no title to pay during his joining time, vide C.S.R.article 208.

2. As regards his claim to travelling allowance, the Chief Engineer for Irrigation decided that the acceptance of the Delta Superintendent's post by the petitioner was not a case of transfer (see E.I's letter No.II44 T.dated 24th.September I895, in case), but, even if it were so viewed, the claim would not be tenable, as the appointment as Delta Superintendent was made at the petitioners own request(vide para I of petition), and, consequently, the claim to travelling allowance for the journey on transfer would be inadmissible under C.S.R.article I203.

3. The petitioner has no title to travelling allowance under C.S.R. article 1191; as, at the time he accepted the appointment of Delta Superintendent, he was holding an appointment (temporary) under Government - and his appointment as Delta Superintendent was not, therefore, a "first appointment" within the meaning of C.S.R article 32.

4. The petitioner was dismissed by the Supg. Engineer Ist. Circle on 3Ist. January 1897, but was subsequently permitted to resign his appointment from the same date.
