CURRENT No. 6139

ders The proposal is approved.

is understood - from
 Const. Pawan. That Mr. Baskett
 has had the offer of Rs 300 as Engineer on
 board the Bridges "Woolok" but that he
 would rather have Rs 200 as Foreman of the
 Workshops in which capacity he has received
 Rs 150 per mensem, although his younger brother
 Mr. A.S. Baskett draws Rs 200 as Workshop
 Superintendent at Dowlaiswaram. As Mr. J.
 Baskett is an excellent man whose services
 will be spared, particularly at this time
 when work has to go on at high pressure,
 it is recommended that his pay be raised from
 Rs 150 to Rs 200 per mensem. This may be done
 with the sanction of this Government, by
 raising the grade of Superintendents a Rs 200
 from 2 to 3, and decreasing the grade of
 them on Rs 150 from 10 to 9, in the Imperial
 Establishment.
 2. There are present four men, in the
 Rs 150 grade, senior to Mr. J. Baskett, these
 T. Muthakumaran and N. S. Sankaranarayanan
 marked "Not recommended" for promotion
 and C. P. Virvanathayya is on suspension,
 being charged with dishonest practices in
 Madurai. It is therefore unlikely
 that they will receive further promotion
 at present or ever. The other two T.
 Perayya Naidu and Mr. C. Lawrence
 are good men, and in order that
 they may have no privilage it might
 be recorded that Mr. Baskett's promotion
 had been good only during the term of
 his present appointment.

4. The work at the shops for the last few months has been very hard indeed and also that in the Stores. The shops have been kept at work on both Sundays and holidays and have been working over time in addition, making famine tools.

5. The work for the next few years will be very heavy owing to the great number of large shutters on Colonel Smart's pattern which have to be made for ^{the} grand and upper anicuts and also probably for the Lower, Shatlatope and Viddachellum anicuts also.

6. I strongly recommend that Mr. Baskett be promoted to the pay of Rs 200 per mensem from the date of the death of the late Supt Major Anderton. Temporary Upper Subordinate.
