REVENUE DEPARTMENT.

PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read again G.O.No.3833 dated 28th

July 1897 requesting the Famine Commissioner by wire whether ~~the~~
sons requiring relief on the Kocheru ⁵Peapalli road cannot be pro-
vided for at neighbouring works with hutting if necessary.

Read also the following telegram from the ~~Fam~~Line Commis-
sioner, Kurnool, dated 24th July 1897:-

"Kocheru Piapalli road ^{work} necessary, already 450 persons emigrated from Kocheru to nearest work; but remainder owing various reasons petty pattadars, sick relations, children, cultivation cattle etc. can't go. Pattadars ruined lock stock and barrel. Last crop only one anna put down as 12. Had to borrow pay kist. Works Ramalkot too long deferred. Hence fifteen thousand gratuitous relief. Condition Kurnool workers very bad."

In the circumstances stated, sanction will be accorded to the opening of the Kocheru-Piyapalli road as a famine relief work. The following telegram will accordingly be despatched to the Famine Commissioner:-

relief work."

2. His Excellency the Governor in Council, however, observes that the neglect to open ~~in~~ works so soon as the necessity for them declared itself would have been detected earlier if the Famine Commissioner had not left the Kurnool district uninspected from the early part of the year till very recently and desires to have an explanation of the circumstances which led to this omission.
