India. letter N^o 694, dated
9th March 1889, printed
with G.O. N^o 8614, dated 22nd
March 1889, it was ruled
that temporary employees
are not entitled to local
allowances, and that their
salaries should be fixed
with reference to local
disadvantages.

upper subordinates who
were employed in the
Dumaguide sub. division
for certain periods this year,
and the Examiner naturally
says that under the Govt.
of India ruling, the grant
of the allowance will require
the sanction of the Govt. of
India.

4. It is open to this Govt.
however to grant the two
men a temporary increase
of pay, corresponding
with the amount of local
allowance, and a draft
order is submitted accordingly
for approval.

5. The two men in question
were engaged for general
service, and their pay
was certainly not fixed
in view of their serving
at Dumaguide. If they
had been on the permanent
establishment, the local
allowance would have
been passed without
question by the Examiner.

They seem fairly entitled
to an equivalent.

SIR,

With reference to appendix T. Vol. I. P. W.
Under the G.O. no. - - - - - Code,

I have the honour to request that you will be good enough to obtain the sanction of Government to the grant of Upper Godavari allowance at Rs 30/- per mensem to the marginally noted Upper Subordinate employees employed in the Dummagudem Sub Division for the periods noted against them as the Examiner P. W. accounts has only admitted the claim provisionally in his Salary Disallowance list of Body Eastern Division for April 1897 pending the same.

I have the honour to be,
Sir,
Yours most obedt. S^t

Unless the temporary Subordinates
in question were engaged on the under-
standing that they would receive the -
special allowances prescribed in Ap-
pendix T, it seems to me that the grant
of the allowance will require the sanc-
tion of the Govt. of India under the
principle expressed in G.O. No. 1472 W.
dated 4th. June 1889.
