Resolution—

From the replies to Home Department Circular of the 14th October 1887, it appears that there are no uniform executive orders on the subject of the pecuniary relations of Government officers with persons who are subject to their authority, and as the Regulation VII of 1823 applies only to Covenanted Civil Servants and only to such officers when serving in certain portions of the Bengal Presidency, the Governor-General in Council considers it desirable that definite instructions should now issue with the object of making the liability in this matter of all officers holding civil appointments the same throughout India. The Governor-General in Council is accordingly pleased to direct that the following rules shall be strictly observed in future:—

- (1) All Covenanted Civil Servants, Statutory Civilians, Uncovenanted Officers who hold gazetted appointments and Military Officers in civil employ are prohibited under pain of dismissal from taking loans from, or otherwise placing themselves under pecuniary obligations to, persons subject to the official authority or influence of such Government officers, or residing, possessing property, or carrying on business within the local limits for which such Government officers are appointed.

Home Department Resolution No. 11—426-437, dated the 17th March 1882.

Resolution—

Section 2 of Regulation XXXVIII of 1793 prohibits Covenanted Civil Servants from lending money, directly or indirectly, to any proprietor or farmer of land, or dependent taluqdar or under-farmer, or raiyat or their sureties; and by Home Department Resolution of 17th March 1882, read in the preamble, this prohibition has been extended to Natives of India appointed to an office ordinarily reserved for members of the Covenanted Civil Service under the provisions of 33 Vict., Cap. III, Section 6.

2. Instances have recently been brought to the notice of the Government of India in which uncovenanted gazetted officers of Government have lent large sums of money at various, and sometimes very high, rates of interest, to landholders of the province, and even of the district in which they are serving. It appears to the Governor-General in Council very desirable that this practice should be discontinued at once. His Excellency in Council is accordingly pleased to direct that the existing rules on the subject, which apply to Covenanted Civil Servants and Members of the Statutory Civil Service, shall be extended to all uncovenanted officers in the subordinate executive and judicial services of the Government. Such officers are hereby prohibited from lending money at interest, whether directly or through relatives or other agents to landholders, with or without security, within the province in which they are employed.

Order—

Ordered that a copy of this Resolution be forwarded to all Local Governments and Administrations for information and guidance, and that a copy be also forwarded to all Departments of the Government of India for information.

Resolution.—It has been brought to the notice of the Government of India that Home Department Resolution No. 22—637-653, dated the 16th March 1888, conveying orders on the subject of the pecuniary relations of Government officers with persons who are subject to their authority, makes no provision, such as is contained in section 6 of Regulation VII of 1823, for the case of pre-existing indebtedness on the part of Civil officers to individuals resident in districts to which they may be posted. The Governor-General in Council considers such a provision desirable, and is accordingly pleased to direct that the following rule shall be added to the rules laid down in the Resolution quoted above:—

3. Any such officer, as is referred to in Rule 1, who is appointed or transferred to a post in which he will be in a position to exercise official influence or authority over any person to whom he is under any pecuniary obligation or to a post with local jurisdiction within the limits of which any person to whom he is under any pecuniary obligation, resides, possesses property or carries on business, shall be bound to declare, without delay, the circumstance to the officer to whom he is immediately subordinate for report to the Government, and failing to do so shall be subject to the same penalty as if the obligation were incurred after his appointment or transfer.

Order.—Ordered that a copy of this Resolution be forwarded to Local Governments and Administrations for information and guidance, and to the Registrar of the High Court, Calcutta, for information, and that a copy be also forwarded to all Departments of the Government of India for information.

9. Notification by the Home Department, No. 181, dated the 26th January 1855.

With reference to the Notification from the Military Department No. 100 of 1855, the following public letter No. 18 of 1854, dated 22nd March, from the Honourable the Court of Directors, is published for general information.

No. 18 of 1854.

OUR GOVERNOR GENERAL OF INDIA IN COUNCIL.

1. In our Despatch of this date No. 6, to the Government of Bombay, we have given our views on a question submitted by that Government, viz.:—

“Whether a public declaration of Insolvency on the part of our Civil Servants is to be regarded as a disqualification for office, or to be visited by Government with any marks of its disapprobation.”

2. In reply to this question we have said: “We have no hesitation in giving it as our decision that such a declaration of insolvency as is involved in a resort to the Insolvent Debtors Court for relief is quite incompatible with the maintenance of that high character for independence, which we regard as essential in those filling offices of trust and authority in our service. We direct therefore that, in the event of any one of our Civil Servants at any time availing himself of the means afforded by the Court to obtain relief from his liabilities, he be suspended from public employment, and his case forthwith reported to us for final orders. You will give public notification to this effect, in such way as you may think proper.”

3. You will consider these views as of general application under all our Governments.
