Government of India letter stating that they are not prepared to extend the term of sanction to the estimate for improvements to the —, pending receipt of a further explanation on certain matters, and that in the meanwhile the estimate for resluicing the channel may be sanctioned by the Local Government under the ordinary rules, communicated to officers concerned, with remarks.

GOVERNMENT OF MADRAS.

PUBLIC WORKS DEPARTMENT.

Irrigation.

READ—the following paper:—

From N. F. MACKENZIE, Esq., Under Secretary to the Government of India, Public Works Department (Civil Works—Irrigation), to the Joint Secretary to the Government of Madras, Public Works Department, Irrigation Branch, dated Calcutta, 5th February 1897, No. 41 I.

I am directed to acknowledge the receipt of your letter, No. 1090 I., dated the 23rd December 1896, requesting that the sanction accorded to the further improvements and extension of the Kalingaroyen channel may be extended for a period of five years commencing from the 31st January 1896.

2. In reply, I am to say that in view of the doubts expressed in the Proceedings of the Madras Government accompanying your letter under acknowledgment as to the adequateness of the project estimate, the necessity for the work in the event of Bhavani reservoir being constructed, and the possibility of passing water down to the 89th mile, the Government of India are not prepared to extend the term of sanction, pending receipt of a further explanation on these matters.

In the meanwhile, the estimate for resluicing the channel may be sanctioned by the Local Government under the ordinary rules, and charged to 43. Minor Works and Navigation, Provincial, and in the event of the sanction for the project being extended, the expenditure incurred on the sluices can hereafter be debited to it.

ORDER—No. 219 I., dated 3rd March 1897.

Communicated to the officers concerned for information with reference to G.O., No. 1089 I., dated 23rd December 1896.

2. The Superintending Engineer, IV Circle, will report when the estimate for resluicing the Kalingaroyen channel will be submitted and what he proposes to spend on the work next year.
