From W. B. DEWINTON, Esq., Superintending Engineer, III Circle, to the
Chief Engineer, Public Works Department, dated Bellary, 19th July 1897.
No. 2346 W.

I have the honour to bring to your notice that, with reference to the orders conveyed in your memo., No. 587 D., dated the 19th June 1897, presumably issued on this office reference No. 1577 W., dated the 11th idem, one Muthukrishna Mudaliar, temporary clerk of the Buckingham Canal division, has been ordered by the Superintending Engineer, II Circle, to report himself to this office. He has done so on the forenoon of the 13th instant and states that he received his pay in the Buckingham Canal division up to and inclusive of the 12th instant. I request that the necessary sanction of Government may be obtained, under article 1216 of the Civil Service Regulations, to the grant of his travelling allowance from Madras to Bellary.

2. As several transfers of this kind may take place, I beg that general sanction may be given, as long as famine lasts, to the payment of transit pay and allowances, to enable the Examiner to pass them.

Office-note from the Examiner of Public Works Accounts, dated Madras, 2nd August 1897, No. 447 A.

Article 1216, Civil Service Regulations, quoted in Superintending Engineer's letter, applies to officers in *inferior service*. Article 208 is probably meant. Specific sanction may be accorded in the present case.

2. With regard to the *general* sanction asked for, I see no objection to Government granting it, under special circumstances, during prevalence of famine. A copy of that sanction will be required for information and guidance in audit.

ORDER—No. 2204 W., dated 11th August 1897.

Under article 208, Civil Service Regulations, the Examiner is authorized to pass transit pay and travelling allowance to clerk Muthukrishna Mudaliar.

2. The general sanction applied for by the Superintending Engineer in paragraph 2 of his letter is granted.
