PUBLIC WORKS DEPARTMENT.

Read—the following papers:—

From Major W. L. C. BADDELEY, R.E., Superintending Engineer, II Circle, to the Chief Engineer, Public Works Department, Madras, dated Bezwada, 12th April 1897, No. 136 K.W.

The building known as Executive Engineer's quarters at Duggirala has been transferred to the Forest Department agreeably to G.O., No. 1592 W., dated 23rd May 1896.

2. The Examiner, Public Works Accounts, in his audit note on the accounts of the Kistna Western division for October 1896, refers to paragraphs 124 to 126, chapter III, volume II, Public Works Code, under which it appears that the sanction of the Government of India is necessary to the transfer, as the building was constructed from Irrigation funds.

3. In these circumstances, I beg to recommend that the transfers be cancelled, and that the building be kept on the books of the Public Works Department as a rest-house for all departments of Government.

Office-note from the Examiner, Public Works Accounts, dated 21st May 1897, No. 1622 D.A.

It is for Government to decide whether the present recommendation of the Superintending Engineer, II Circle, to retain the "Executive Engineer's quarters" at Duggirala on the Public Works Department books should be agreed to. If the building is to be permanently transferred to the Forest Department, the sanction of the Government of India will be necessary under Code volume II, chapter III, pararaph 125. This number of paragraph has been expunged by S.O., No. 119, dated 12th February 1897.

No. 2740 C.

Referred to the Revenue Department for favour of report as to whether there is any objection to the charge of the building being resumed by the Public Works Department. It will continue to be maintained as a rest-house available for officers of all departments.
