Note for His Excellency
the Governor.

The undersigned begs
to state that the position
explained in his note on
which G.O. 1347W, dated
22nd May 1897 is based,
remains unchanged, and
that work continues as
heavy as ever. This will
be apparent by the fol-
lowing figures brought
down to date 27th July
and compared with the
Corresponding periods
of 1895 and 1896. The
latter year was a
heavy

The statement of receipts issues which I sent to you yesterday in connection with the proposed continuance of the service of our two temporary clerks, did ~~not~~ not include marine dept. I regret that I omitted to mention this.

being you will see, that we are now considerably ahead of the former for 1896 -

The receipts up to 8509 date are 7474, which up to the corresponding time last year they were 6790.7553

The issues under all heads (excluding R) have reached 8148, while they were 7474 at this time last year.

It would be well to ask for sanction up to the end of the year, with a promise that the men will be discharged if they can be, sooner -
